1:15-2:00pm	Plan for the Future Presenters: Ken Wells, Elizabeth Dixon, and Loretta Jones

Learning Objectives

Introduction

- 1.To understand the goals and design of the Community Partners in Care study
- 2.To describe the community agencies that were involved in the study
- 3.To explain the two intervention arms of the study—Community Engagement and Planning (CEP) and Resources for Services (RS)—and share experiences of both intervention groups

Panel I: See the Data

- 1.To present initial findings from the CPIC study to date
- 2.To share stories, interpretations of results, and lessons learned based on the initial findings
- 3.To discuss ideas for further analyses of the study data by different project workgroups

Panel II: Share Perspectives

- 1.To answer questions from participants about the initial findings presented on CPIC
- 2.To obtain participant reactions to the findings using an audience-response system
- 3.To generate discussion on how agencies and community stakeholders can improve depression care and related services based on findings from the CPIC study

Panel III: Plan For the Future

- 1.To generate discussion on useful next steps for the dissemination phase of the CPIC study
- 2.To understand the potential role of policy makers and other community stakeholders in supporting the dissemination phase of the CPIC study
- 3.To explore options of how study agencies and community stakeholders can participate in planning the dissemination phase of the CPIC study
